

WEBSITE Packages

WEBSITE **Maintenance**

Starting at
R450.00 per Month

Is your website in need of updating but you don't have the time or resources to take care of it?

We're well aware of how frustrating it can be sometimes when a graphic or text needs to be removed or changed, or your shopping cart content requires timely updates to include a new product or service. We can devote the time and resources to ensure that your sites' content is updated accurately and within your time constraints. Whether you have just one page, or a hundred web pages, we can maintain your online property for you.

Package includes:

- » Testing all links & contact forms on website
- » Update all Themes & Plugins
- » Update any images, content or info
- » Offsite & Onsite Backups
- » Website Security checks
- » Email security checks
- » Code checks for any malicious code
